

TEEN CHALLENGE GOOD SAMARITAN CLUB

As a member of the **GOOD SAMARITAN CLUB**, you become a very special friend of the young people to whom we minister. Your Pledge to regularly pray for this ministry and to financially support its efforts **EACH MONTH** helps Teen Challenge keep its doors and arms wide open for those who truly need the Lord.

With the **EASY GIVING PLAN**, you can now arrange to have your monthly gift paid automatically from your checking, MasterCard, or Visa account! By being part of the **EASY GIVING PLAN**, you will help to reduce Teen Challenge's postage and processing costs. You will continue to receive a receipt each month for income tax purposes. Questions & Answers

Q: Is electronic transfer risky? I don't want mistakes made in my bank account.

A: An electronic transfer is less risky than using a check. It can't be lost, stolen, or destroyed in the mail. Since its introduction the Good Samaritan Club has proven very accurate in processing thousands of contributions a year.

Q: If I don't write actual checks, how do I keep my checkbook balance straight?

A: Your monthly contribution is made on a pre-established day, so you can deduct it from your check record then, and your bank sends you an itemized statement listing automatic deductions from your account.

Who benefits & how?

You!

The Good Samaritan Club saves you time from having to sit down and write out your monthly check. It saves you money from postage and check fees. It also saves you from having to remember when you sent in your last gift.

The areas where its most needed, the Annual Fund, and special projects

The Good Samaritan Club assures you more stability. It gives you confidence knowing that your contributions will arrive at the same time every month, even when you are out of town. Annual Fund and project giving levels are also more predictable, allowing solid commitments to be made in the area you are supporting.

The Sending Center

The Good Samaritan Club benefits the Sending Center by reducing processing costs:

Less paper work

Less postage fees
